Alphabetical Index

A

ADMINISTRATION
Gas Company Progress (April) 7
The Gas Industry at the Crossroads (April) 16
A. G. A. LABORATORIES
R. M. Conner Honored at Banquet Upon Completion of 15 Years as Laboratories Director (June) 49
A. G. A. Meritorious Service Medal and Charles A. Munroe Award (June) 48
AIR CONDITIONING
The Company Program for the Sale of Summer Air Conditioning (June) 12
"Appliance Cost Sharing Plan" Works Well in Wisconsin (February) 28
ASSOCIATION ACTIVITIES
American Gas Association Organization Meeting (January) 20
Recommended Revisions to Requirements Approved (January) 16
Atlanta Presents "Another Decade of Progress" (June) 28
AWARDS
A. G. A. Meritorious Service Medal and Charles A. Munroe Award (June) 48

B

BOOK REVIEWS
Engineering Materials, Alfred H. White (January) 34
Fluid Flow Measurment by Head Type Metering Elements, F. C. Stewart and J. S. Doolittle (January) 34
"Industrial Hazards of Static Electricity" (April) 44
"The Market for Central Automatic Heating," (April) 44
Heating Ventilating Air Conditioning Guide 1940 (May) 53
"Procedure Handbook of Arc Welding Design and Practice," (May) 53

C

CP GAS RANGE
Manufacturers Renew "CP" Campaign Sponsorship (February) 35
National Prizes Help Spur CP Gas Range Sales 40% (May) 46
The A. G. A. Domestic Gas Range Committee Presents an Outstanding CP Range Sales Presentation (March) 38
COMMERCIAL
Additional Requirements for Commercial Gas Cooking Equipment Now Available (May) 54
Hotel, Restaurant and Commercial Gas Sales Conference (May) 57
The Modern Deep Fat Fryer and Its Efficient Maintenance (March) .. 28
Complications of Gas Rate Proceedings (June) 21
CONVENTION ACTIVITIES
A. G. A. Natural Gas Section and Distribution Conference to Meet in Houston, Tex. (February) 33
Annual Business Conference New England Gas Association (March) .. 34
Annual Convention A. G. A. E. M. (June) 43
Canadian Gas Association (June) ... 52
Fifth Annual Convention—Gas Meters Association of Florida and South Georgia (June) 51
Mid-Winter Sales Conference Pennsylvania Gas Association (March) 35
Pacific Coast Gas Assn. Spring Sales Conference (March) 31
Something for Everyone—At A. G. A. Industrial Gas Sales Conference, Toledo, March 28-29 (March) 34
Southeastern Regional Restaurant Convention (January) 38
Southern Gas Association Annual Convention (February) 33
The Coming Convention of the A. G. A. Natural Gas Section (April) .. 46
Thirty-Fifth Natural Gas Convention —Seventeenth Distribution Conference (June) 9
14th Annual Business Conference The New England Gas Association (April) 14
32nd Annual Meeting of the Pennsylvania Gas Association (June) 54
1940 Industrial Gas Conference (May) 48

D

Development of New Appliances for the Gas Industry (May) 33
Developments in the Conditioning of Boiler Feed Water—Part I (February) 11
Developments in the Conditioning of Boiler Feed Water—Part II (March) 14
Discussion on Colloids (March) 17
DISTRIBUTION
Diaphragm Meters for Commercial and Industrial Loads (May) 21
Distribution Design for Heavy Housheating Loads (June) 24
Gas Injury to Trees (March) 7
The Blaw-Knox Cleaner Installation at Rutland, Vermont (January) ... 26
Drying with Infra-Red Radiation (May) 43

E

Effect of Marketing Policies and Refining Methods on Future Availability of Residue Enrichment Oils (June) 37

F

Florida Public Service Company Goes "Ranching" in 1939 (April) 13

G

Gas at New York World's Fair 1940 (June) 16
Gas Exhibits, Inc., Announce New Officers and Directors (March) 42
Gas Injury to Trees (March) 7
Gas Popular in Oconomowoc, Wisconsin (April) 39
Gas Storage Holder, Purging and Dismantling of the Ardmore, Pennsylvania (January) 9

H

Heating Appliance Code in California, Progress on (June) 26
HISTORICAL
Old Gas Lamp Post in Atlanta Becomes a Memorial (January) 31
HOUSE HEATING
A House Heating Campaign That Was Tested (February) 9
Distribution Design for Heavy Housheating Loads (June) 24
Gas Heating in New Construction and Recommended Program for Its Future Development, Summary of the Progress of (January) 13
Selling Gas Heat to the Builder (February) 24
The Industrial Gas Engineer and Space Heating (April) 25
Hutchinson Gas Club (January) 32

I

INDUSTRIAL
A. G. A. Industrial Section Organizes "Horizontal" Sales Committee to Assist Industrial Managers (January) 33
Atmospheres, Small Equipment and Publicity Considered by N. E. G. A. Industrial Division (April) 50
Drying with Infra-Red Radiation (May) 43
Industrial Sales Conference at Houston (June) 11
1940 Industrial Gas Conference (May) 48
The Industrial Gas Engineer and Space Heating (April) 25
The Use of Gas for Firing Galvanizing Kettles (March) 10

L

LEGAL
Complications of Gas Rate Proceedings (June) 21
Legal Pitfalls of Gas Franchises (May) 26
Legal Right of Employers to Develop and Patent Employe's Inventions (January) 22
New Law of Patents and How to Avoid Infringement (February) .. 19
When Delay to Commence Service Results in Liability (April) 33

M

MANAGEMENT
Effect of Marketing Policies and Refining Methods on Future Availability of Residue Enrichment Oils (June) 37
MANUFACTURING
Developments in the Conditioning of Boiler Feed Water—Part I (February) 11
Development in the Conditioning of Boiler Feed Water—Part II (March) 14
Gas Company Progress (April) 7
Gas Storage Holder, Purging and Dismantling of the Ardmore, Pennsylvania, (January) 9
Separator for Effluents (June) 45
MERCHANDISING
Atlanta Presents "Another Decade of Progress" (June) 28
Effect of Marketing Policies and Refining Methods on Future Availability of Residue Enrichment Oils (June) 37
"Oomphasizing" Your Merchandise (March) 21
The Gas Mart (February) 27
This Warranty Sells Gas Ranges (January) 30
METERS
Dates Set for West Virginia Meter School (April) 48
Diaphragm Meters for Commercial and Industrial Loads (May) 21
Government Inspection of Gas Meters in Canada (January) 37
Meter Reading Department Is Keeper of 122 Customer Keys (January) .. 38
What Price Mis-Steps by Meter Readers (March) 18
"Monkey Wrench" Controversy, The End of the (June) 32

N

National Prizes Help Spur CP Gas Range Sales 40% (May) 46
NATURAL GAS
A Natural Gas Engineering School in Nature's Laboratory (May) 13
Heroic Measures Extinguish Gas Well Fire in West Virginia (May) 57
Natural Gas Resources of Texas and Their Conservation (May) 9
The Gulf South (May) 39
New Equipment and Appliances (January) 35
New Equipment and Appliances (February) 30
New Equipment and Appliances (March) 32
New Equipment and Appliances (June) .. 46
